Angela V. Harris Scholarship Fund
Academic Year 2023-2024

A note from your scholarship recipient:

Thank you for your continued support in my academic journey. It has been a long ride but I'm excited to finish my senior year strong. I'm grateful that this scholarship has continued to encourage me to persist in my studies and believe in my communicative abilities in technology. I look forward to advancing human computer interaction for better modern products and services as I enter the career world post graduation. I know this scholarship will bless another deserving student's life.

Why did you come to Drexel?

Co-op program and inviting Black female technology student

What kind of difference would you like to make after you graduate from Drexel?

I would like to be involved in Drexel CCI, Westphal, and Athletics as an Alumni. In a professional context I would like to be a producer designer or content creator in the entertainment industry.

Because of this generous scholarship, I am able to:

Put maximum effort into my studies and extracurriculars.

What cause or area of study is most important to you?

I enjoy media and storytelling because it's a primary way to encourage people to make changes in their own lives and the flow of society as a whole.

During my time at Drexel University I am most proud of:

Making strong connections with students and faculty members.
